We require that the member is interested in breeding Corydon Collies or is a Corydon dog enthusiast.

Tell us a little about yourself, your hobby history with dogs and why you would like to join the club.

Membership applications are considered at the ACP Club Board meeting. The Club will provide information about the rough collie in the membership magazine. The magazine is published regularly and will be sent to all members. This year the membership fee is 25,00 €.

Please note that members are expected to be active in the club on a small scale, e.g. by participating in events organised by the club.

Personal data processing

I agree to allow ACP Club to collect and process my personal data such as name, address and telephone number and to publish it in the ACP Club's member magazine. The data will be processed within the EU.

I do not accept ACP Club publishing my details in the ACP Club magazine. For the purposes of the membership register, the club has the legal right to collect and process my personal data such as name, address, and telephone number.

I can update my selection at any time by sending an email to [acpklubi1996\(a\)gmail.com](mailto:acpklubi1996(a)gmail.com)
